# Termination instructions
- Opus OC5001

19" 24-Port UTP empty panel provides 24-port openings
for Keystone jack UTP Opus-series Cat.6 and Cat.6A

Standard 483 mm [19 In.] Panel Rack

Position the cable assembled RJ45 module from back of panel and then snap in the
RJ45 modules into the RJ45 window all the way down until the latch on module is
locked to panel as shown in Figure. Follow the installation in sequence until all
required RJ45 modules are installed.
